Precocious, Petite and Perverted

I'm a little sex fiend. If my husband can't give it to me when I want it, I have to look for it elsewhere. My favorite friend is "pinkie", my trusted dildo. We've been together for five years, even before I knew my husband, and he has not complained once. I don't know if there could be a more perfect lover.

Monday morning my husband leaves early for work. I'm alone all day and usually quite horny. Why don't you give me a call so we can maybe hook up. I'll be waiting with pinkie, if you're over 18.

The top 12 things that men ignore during sex

Hot animal sex is wonderful but that won't always be the case. Women will want it soft and slow most of the time while men want to jam it, ram it and forget it. But either way nothing makes us feel as good as seeing her happy. That warm glow of sex that a great orgasm will bring to her. The right lover will be back again and again, while a poor lover gets laid only once. Get out your scorecard and be sure you have all your bases covered. Remember, it's not how often you score, but the quality of your performance. Here are a dozen things to keep you on her mind. Let the games begin...

1 A soft touch is really important. A light kiss is better than a hard one. Don't slobber or snort like a big bulldog. Save your sloppy wet kisses.

2 Don't fumble around trying to feel for her clit. The clitoris is very sensitive and too much rubbing will make it hurt and she'll take you off it. Get to know where her clit is and how she likes to have it rubbed and licked.

3 A woman's juices are for lubrication, but sometimes that does not make her wet, or slippery, enough. Scented lubes are a turn on and taste good, too.

4 Men are the visual creatures. Women not so much. They need nice words to stir their imagination. Saying the right things during sex can be a real turn-on for her.

5 Spitting is not just for porn stars. Keep your tongue wet or well lubricated. You may think that there's always spit to keep it wet, but that is not always the case, dude.

6 Next to the brain and the vagina, nipples are the most erogenous zone, and oftentimes the most sensitive parts of her sexual anatomy. Ease up on the pinches and bites. They hurt!

THIS IS HER CLIT
DON'T BE SLOPPY
TOYS CAN BE FUN
POKE CAREFULLY

7 Fingers and toes. Don't forget those! These are sensitive areas that get even more sensitive during sex. She'll also appreciate that you don't spend all of your time on her clitoris and pussy.

8 The look on your face tells her a lot. Even if you're bored, pretend to enjoy, especially if she's fellating you.

9 Toys can be a great addition to your lovemaking. She probably has a favorite dildo or vibe. Ask to use it on her.

10 Don't go poking into forbidden areas. Not that many women want their assholes touched or fucked. If you're lucky enough to get it, go slow. It can be a real game buster.

11 Know her name! Nothing will get you booted faster than the wrong name. Even if it seems like a one night stand, make it a point!

12 Take your goddamn socks off. Nothing says unsexy like fucking her in male hosiery!

*Hi guys, I just shaved my pussy for you and thought you might want to see it.
It's really pretty, smooth and silky. I rubbed lotion all over it to soothe me.
Cum, take a look and let me know what you think.*

Yesterday I had a big hairy bush so thick I couldn't see my clit. I asked my girlfriend over to help me so she got out the scissors and trimmed most of it away. Then I lathered up and shaved myself really close so you could get close.

My girlfriend got into the shower with me and helped rinse me off. We had a hot fuck in the shower. I was so sensitive down there I came before the water drops hit the shower floor. Can you get me off that fast. Call me and tell me you can. I bet you can't.

Mae and Lucy

Lusty ladies love sexing each other

We love rainy days. When there is nothing to do, nothing good at the movies or on the telly, Mae and Lucy get together for some girl time. Dressing in their finest undies for each other and bringing an assortment of toys, they spend the day together, sexing for hours on end.

CHECK US OUT AT
30-40group.com

It all starts with some soft fondling and kissing. Much attention is paid to the breasts with each taking as long a turn as the other allows. Next comes the pussy licking with hot probing tongues and willing wet holes to accommodate them. Only then does the passion boil.

Mae is the ultimate pussy licker. She says she's been a lesbian her entire life and cannot remember the last dick she sucked. Lucy has had her share of men but ultimately prefers the taste of pussy juice to cum. Either way, these two like what each other has and enjoys it, too.

They readily admit that toys are a big part of their sexing. Each comes with an assortment of amped up vibes and big dildos ever-ready to please the other. Especially handy are the colored dildos with their soft-yet-hard rubber shafts that never wilt under pressure to perform.

Gretta gets me wet

Dear 50+,

I picked up the last issue of 50+ at the newsstand and was not disappointed. Especially the photo shoot with that cutie – Gretta. I find a soaking wet woman in the shower the biggest turn on in the world. The sight of soap and water running down her body is really neat and very exciting.

They say some of your earliest memories are the one's that stick with you. When I was in my eighteenth summer, I was a camp counselor at a summer camp in the Adirondacks. The staff was a rowdy bunch and we had a 50 year old lady ranger as the head of it. She was stern but a lot of fun and knew how to handle the camp. There were a couple outdoor showers on the site for the staff and one early morning I was doing my chores when I saw her heading for the shower in her robe carrying her toiletries.

We passed each other on the path and I said good morning as I pretended to head back to the lodge. I turned around after she got into the shower and climbed a tree that I knew had a good view of the inside of the shower. I watched as she lathered up, starting with her nice breasts and working her way down. The water poured on from the top and down her naked body. I was hard sitting in the tree and looking around to be sure no one could see me, I pulled out my cock and started rubbing it as she washed. I could see all the way down to her knees from my vantage point and I watched as she lathered up her private parts and then rinsed them off. I finally finished jerking off just as she turned the water off and grabbed her towel off the door. I let my splooge fall to the ground and I zipped up and descended from my secret perch.

Ever since that morning at the summer camp, I have been attracted to not only wet and soapy women, but older women as well. That's why your pictorial of Gretta was so hot to me. Let's have some more!!!

Flower power revisited

Dear 50+,

Last year my wife and I were vacationing in Palm Beach, Florida. I'm a retiree and she is in her mid-fifties. We were out to dinner with some snow bird friends and after a couple bottles of champagne we were all feeling a little tipsy and a little friendly. Kate and Al were old friends of ours in Boston and moved to Florida a few years ago to escape the cold. We have visited them a couple times and have always had fun. But this time it was going to be a little different. We went back to their place to play cards as usual, but this time Al suggests we play poker instead of bridge. We said fine and he broke out some more drinks with the cards. We played a couple hands and my wife Shelly won both of them. Then Kate suggests we play strip poker. Shelly and I looked at each other and I said I was game if she was. She was a bit hesitant, but after winning the last two hands she felt confident.

I knew Al had eyes for Shelly, and I kinda had a hard-on for years for Kate, so I was all for it. We were all products of the "Free Love" hippie culture of the sixties, but had settled down into our comfy lives. Now with little to hold us back, so of that old excitement was returning. Kate dealt the first hand and Shelly won again. We all took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had a T-shirt and boxers, Shelly was in her bra and panties, Al was just in boxers and Kate was in a red teddy.

It was now my deal. We were drinking and laughing as the bets were made. Al won and I dropped my shirt, Shelly her top, and Kate stood up and started a little dance as she began to undo the laces on her teddy. All of a sudden Shelly got up and started to help her. She reached down between Kate's legs and undid the snaps. The pulled the teddy up and off of Kate. Throwing it over to me, I caught it and twirled it around, egging the girls on. As Al and I looked on, they started kissing each other and Kate reached around and undid Shelly's bra and then pulled down her panties, throwing them to Al. She then gently pushed Shelly onto the table and grabbed her knees to spread them. She lowers her head into Shelly crotch and begins to lick her. Al three of us watch as Kate licks and sticks her fingers inside my wife's wet pussy.

By now Al and I were real horn dogs I get up first and position myself behind Kate. I drop my drawers and slip my cock inside her as she continues to lick Shelly. Al saunters over beside Shelly and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Al and I grab a couple of the wine glasses from the table and toast each other. Kate the stands up and pulls me out. She seats herself next to Shelly on the poker table and motions me to continue fucking her as she opens her legs and gets into position for my cock. He takes advantage of the change and moves around to drop between Shelly's legs and now he begins to lick her. I watch as he sucks my wife and he watches as I fuck his.

All of a sudden Al says he doesn't feel so good. We all ask if he's okay; he says yes and sits down. Shelly tells him to get up and lay down on the table. He does and she proceeds to rub him back to hard-dom. Her mouth works hard on his cock and he's finally hard again. I'm still fucking Kate and she begins to moan that she's cumming. I pump harder and feel her wave of orgasm as she bucks and shakes the

table. Al seems to have made a miraculous recovery and Shelly brings him to climax taking his jizz in her mouth and then spitting it into a wine glass.

It seems that both of our friends have cum so Shelly and I are left to finish ourselves, but she says she's still real horny and wants to finish back at our hotel room. We quickly gather our stuff and drive the mile back to the room, jump into bed and fuck our heads off. In the morning we called our friends to see how they are. Kate says they are both fine and had a great time last night -- just like the sixties all over again. We agreed and said that we should do it again next time we come to Florida. They said the invitation is always open. I think we're going to plan another trip down here next month.

– Henry, Boston

Are you for real?

Hi to the editor,

My name is Jackie and I just came across your magazine at a friend's house. I kinda liked it, but it was a little weird looking at older women in the nude – because I'm one too. Older, that is. Can I assume that your reader's are older too? Because I love older men . They are usually more polite, and gentlemanly. And they'll buy me a nice dinner.

I just wanted to let your readers know that my name is Jackie and I live in Tuscon, Arizona. I'm 5'5" with curly brown hair. My measurements are 36D-24-36 and I'm of Mexican descent. I have big brown nipples on my tan breasts, and my shaved pussy always seems to be wet, and I have a big (and suckable) clit. I have a nice plump ass with a cute little puckered hole that loves to be licked. I love men, especially going down on a big, or not so big, hard cock. I love big mushroomy heads on them, too. I like titty-fucking and having sex in every position imaginable, but I especially like it doggy style so I can get the full length of cock inside me. I'm also really good with balls because I know how much men like to have them pulled and licked.

CANDICE LOVES A LONG HARD RIDE ON A RAD MOTORCYCLE.

If there is any man in Arizona that would like to treat a classy, pretty, 53 year-old lady to nice things, then would you please accept a letter from them and forward it to me? There is a picture of me enclosed. I'm the one if the low-cut red dress.

– Jackie, Tuscon

Dear Jackie, you leave us speechless. We had to read your letter a few times to be sure you said what you said. You sound like a firecracker, but why would you be writing to us to meet men? It seems that with your outgoing "personality" exhibited in the letter, men would be flocking to your door. The photo you enclosed is really nice and you are as pretty and sexy as your letter suggests. While we are not a dating service or running an escort business, if a letter or two comes our way asking about you, we'll be sure to get back in touch. Until then, please stay as horny as you are. – Ed.

Hey guys,

I loved Candice in the last issue. You got one more hot photo to share?

– Bryan, Los Angeles

Regina

Thirty years ago I was a hot showgirl in Las Vegas. I've tried to maintain the body I worked so hard for throughout the years. I hope it shows in the photographs.

I had boyfriends and I had girlfriends. We were hot stuff having our little dancer orgies after performances. I hope to write a book on the secret lives of showgirls one day, but until then here's a look at what you didn't see at the shows.

I was very flexible back then and everyone called me "Flex." I would stand and bend down so far I could to get my head between my knees. Then one of my girlfriends would lick my pussy as I gave a blow job to one of the guys. We had a lot of fun back in those days.

Believe it or not, I can still do it and still like to have sex that way. There's a preview on the next page, but before you turn this one, why not call me and see if you would like to join us.

Fun at the B+B

My name's Brianna and I'm a twenty-eight year old divorceé living in San Francisco. I had always wanted to fulfill a sexual fantasy of mine in a remote B&B in Sonoma County during the autumn.

I decided to get away from home and asked my friend Jackie to watch my kids while I coerced a co-worker, Bobby, to come away with me. We had been flirting for a few months at the office and even went out on a date once. He's a really nice guy, kinda shy, but I like that.

We arrived early in the morning at the bed and breakfast, signed in and went right upstairs to unpack. About noon we decided to have lunch at one of the nice winery estates that Sonoma and Napa Counties are famous for. Super-hungry, we pulled into the first one just a few miles up the road and had a great lunch with a great bottle of wine. We had most of a second – well actually I did – since Bobby was driving.

After a few hours we were ready to leave and I convinced Bobby to go back to the B&B saying I wanted to show him something there. We parked and headed up to our room. I bounced a little off the walls and he – ever the gentleman – helped me through the door and into the room. I sat on the bed for a moment, composed myself and got my suitcase out. I made him turn his back and went to the bathroom to change into this beautiful lacy bra and garter belt ensemble I purchased for this trip. I came out and Bobby was stunned. His cheeks turned red and he stammered to get words out. "Brianna, you look beautiful." he said. I thanked him and went over and took his shirt off. I snuggled into him and began to massage his chest and back, my hands moving across his body and slowly down to his cock. He moaned a little as I gently squeezed it and it got harder and harder in my hands. I began to lick his nipples as I unzipped his jeans and pulled them down. He was wearing these cute blue boxers that I pulled down too and knelt in front of him placing his cock on my cheek and rubbing it. I looked up and saw his eyes close as he was taking this all in. I playfully pushed him down on the feather-topped comforter, stripped him completely naked and moved closer to rub his cock on my cheek. I began to lick and nibble the underside of his cock. I licked and sucked him until I felt a hot stream of thick, sweet cum something, but I put one finger to his lips to stop him. Then I licked the last of the cum from his still hard cock. I worked my way back up his body to his mouth where I kissed him for a long time. Breaking away, I asked if he could taste his cum on my lips and he said he could. "It tastes a little weird," he said. "I've never tasted it before but mixed with your lipstick it was neat."

He pulled me close and gave me another deep kiss. "This lingerie is beautiful," he whispered. "I hate to take it off you." "Then don't." I said, pulling my large breasts out from their lacy enclosure. The bra supported them from underneath as they pointed straight at him. He leaned forward and began to suck on my erect nipples. He began to massage them with one hand as the other slipped down between my legs and found my wet pussy. "You shave down there?" he asks quietly. "I did just for you, Bobby." I said.

He slid his tongue down my neck, between my breasts and down to my panties. He raised one of my legs and held it up as he now slid his tongue down my calf and the inside of my leg. I loved to have my pussy eaten and I couldn't wait for his tongue to lick me. When he finally reached my pussy, I was completely drenched in anticipation. He pulls the panty crotch aside and begins licking me. I moan loudly and that brings a huge smile to his face. His finger now finds my hot cunt and teases me, gently flicking my clit with his fingertips. While he is playing with me, I quickly bend my knees so his finger slips inside. I tighten my legs around his hand forcing his finger to stay there and fuck me.

Finally I open my legs and flip backwards on the bed positioning my upsidedown mouth under his hard-again cock. I begin to suck on it and take his balls in my hand. I replace my hand with my mouth on his balls and force both of them into my mouth. Inside, I swirl my tongue around them, gently sucking on one, pushing it away with my tongue to suck on the other. He leans forward and rubs my breasts and kisses my nipples. I swallow almost his entire length and gag as he starts to trust himself in and out of my mouth.

He leans over even farther to reach my pussy with his mouth and we're now doing a floor-bed sixty-nine. I oblige by sucking his balls and sliding my tongue between his butt cheeks, seeing if I could reach his asshole. Not my luck, but that was about to change. Bobby pulls himself away and lays on the bed with me. Rolling me onto my side, he gets behind me and thrusts his cock into my pussy. My juices are flowing all over the sheets as he pushes his hard on deep into me. Pulling my leg up for better leverage, he continues to thrust pushing my insides up into my belly. My pussy seems to tug on his cock, pulling him deeper and deeper into me.

Once again his hands find my breasts, pinching my nipples in such a way that it feels like I'm being fucked in two places. My cunt is throbbing. This is incredible. We roll so I am sitting on him, and I now am in control. I squat on him going all the way down his cock, thrusting myself up and down on it. I feel his hand on my ass and I feel my body shuddering down there. Thrusting deep into me, I feel like I can swallow his whole body into my pussy.

I feel him tremble and I know he is about to come. I push myself harder and feel the same feeling coming over me. I ride him for a few more thrusts like a wild bronco and we cum together. I fall over backwards on him and he kisses my neck in pleasure and release. We kiss and smile at each other as I feel his cock throbbing with the spurts of climax still inside me. I roll off him and take his cock into my mouth and suck the last remaining drops out of it. I taste our hot wet sex juices and it just turns me on even more.

We cuddle for an hour and jump into the shower together. We spend what seems like an hour in there, soaping each other and rubbing our genitals in mutual masturbation until we cum again. That's three for him and two for me, but who's counting. The next day we don't even leave the room. We fuck all day on the nice big bed. I think last count was twelve for him and sixteen for me. Oh yeah!!!
